The above Committee list is subject to change after the AGM on the 16th April 2022

Have you considered joining the Committee?

We always need new people with fresh ideas to join the committee.

If you are unsure of what being part of the committee involves, please speak with any current member and they will be pleased to talk with you.

WOULD YOU LIKE TO CAMP FREE FOR A WEEKEND?

Have you considered stewarding? **Stewards get their weekend free.** We ask that you insure all campers over the age of 18 have valid membership cards by signing them in on arrival and collecting the fee due. You will need to be onsite for the duration of the meet and be people's first point of contact, should they have any issues. Coffee morning is customary but not compulsory. We are now starting to plan 2023 so why not give it a go, there will always be a committee member onsite for your first weekend stewarding to support you.

If you like what we do tell others if you don't tell a committee member only then can we be given the chance to make changes. It's your DA have your say

Got something to sell?

Why not place an advert on the DA website. Just send the details and if possible a photo, to Dave Nelson and he will add the details to the website.

Guidelines for Stewards

Before your meet:

- Ensure you have received a booking in sheet from the Sites Secretary (either post or email). You will need this to record the attendees and will provide you with the site contact details and meet charges.
- Make contact with the equipment officer to obtain signs and any other equipment you may need for your weekend.

At the start of your meet:

- Place your own unit in such a position that you can be readily seen and approached on arrival. A Stewards sign should be displayed outside your unit.
- Deploy all road signs at your discretion (without breaking any laws) and collect same at the conclusion of the meet.
- Locate both DRINKING WATER SUPPLY and ELSAN POINT and mark accordingly with signs.
- The Steward should welcome all campers and give them any information they require. All units to be booked in on arrival and proof of membership sought from all adults that are camping.
- The Steward is responsible to see that all necessary equipment for the meet is present.
- Due consideration must be given to the condition of the field when motoring in and out of the site. LEARNER DRIVERS are NOT allowed to drive on site.
- Waste water only may be tipped into field hedgerows, not around trees unless otherwise advised.
- Stewards must ensure that all sites are left in a presentable condition at the close of the meet. Close any gates.
- REMEMBER THIS. The Steward is in charge of the meet. You have been appointed by the committee and you will have their full back up. All CLUB rules must be adhered to.

After the meet:

- Ensure all signs are collected and arrange return to equipment officer.
- Arrange handover of monies, receipts & booking in sheet to Treasurer.
