

Dear Friends of St Bernadette's,

2018 is the fiftieth anniversary of St Bernadette's Parish. To mark this, we want to celebrate with lots of social activities. Here is a programme of monthly events covering the whole year*. These are in addition to the regular coffee mornings, soup lunches and various other gatherings that take place in this super parish. All funds raised from social events will go towards the Golden Jubilee Building Project.

As well as these events, we are always looking to deepen in faith and 2018 will be a bumper year for us as we grow in missionary strength and vibrancy.

Happy Anniversary. Enjoy what's on offer!
